

# INDIAN STATISTICAL INSTITUTE

## MEDICAL WELFARE UNIT

The Indian Statistical Unit has a Medical Welfare Unit (MWU) in its 205 B.T. Road Campus. It is a primary patient care unit which provides regular out-patient service (OPD) and emergency medical service when needed.

The Unit consists of a team of Medical Officers, Visiting Specialists, Psychological Counsellors and Para-medical staff.

### **BENEFICIARIES OF MWU**

All workers of ISI and their dependants, Students, Research Fellows, Project-linked Personnel, Trainees, Visiting Scientists, Post-doctoral Fellows, official guests of ISI, retired workers and their spouses, etc.

### **FACILITIES AVAILABLE AT THE MWU**

#### ***OPD***

After registration at the reception, eligible patients can consult any doctor available there.

In the OPD, clinical consultation is provided to patients. If necessary, patients are referred to secondary or tertiary care centre for further management.

#### ***DRESSING / MINOR PROCEDURE***

The Unit provides services for minor surgical procedures like dressing of wounds, suturing of minor cuts and lacerations, suture removal, abscess drainage, application of injection, nebulization, etc. Procedures like ear syringing, foreign body removal from eye, ear or nose are also done.

#### ***PHARMACY***

A limited supply of medicines is available to the beneficiaries on doctors' prescription during OPD hours and emergency, without any cost.

**MWU RECEPTION (033) 2575 5025**

### **OPD TIMINGS**

**MONDAY TO FRIDAY**                      During office hours

**SUNDAY**                                      From 10 AM to 5 PM.

**THE UNIT REMAINS CLOSED ON SATURDAYS AND INSTITUTE HOLIDAYS.**

## EMERGENCY SERVICES

- Beyond OPD hours, the Unit caters to serious patients requiring medical help on campus.
- Doctor/Pharmacist is available on an on-call basis.
- Medicines for emergency are available only for immediate relief.
- After getting primary care, patient may be referred to a centre providing medical care at a higher level.
- The Indian Statistical Institute does not provide any ambulance service. However, phone numbers of some locally available Ambulance services are displayed in the Medical Welfare Unit.

## MENTAL HEALTH CARE

The Institute has facilitated consultation with a Psychiatrist TWO days a week, namely,

Tuesdays and Wednesdays      2 PM to 5 PM

Psychologists are also available for Counselling TWO days a week, namely,

Mondays and Fridays              2 PM to 5 PM
